

Report on Plan B Master's Program**Student Name** _____**NetID** _____

Under the Plan B Master's option, the student is required to complete a final evaluation, under the supervision of an advisor and two additional guidance committee faculty members. Format and content of the evaluation will be specified by the student's committee; a majority vote of the committee constitutes a pass.

Checklist: The Graduate Program Coordinator or the Guidance Committee Chair will initial that the student has completed the Plan B coursework requirements:

- _____ 30 credits of graduate coursework
- _____ ANP 830, ANP 840, and a methods course (ANP _____) – see list on page 9 of Manual
- _____ at least 21 credits in ANP
- _____ at least 16 credits of coursework with number 800 or above
- _____ at least a 3.0 grade in each ANP course.
- _____ at least a 3.0 GPA overall (University requirement)

Date of successful completion of the Plan B final evaluation: _____

(The student must be registered during the semester of the final evaluation)

**** IMPORTANT:** Please indicate process of “final evaluation” that was used at the Committee Meeting for the evaluation:

___ Portfolio, ___ Paper presentation, ___ Other (Explain) _____

Future plans: (the Guidance Committee Chair(s) must initial one of these options)

- _____ The student is receiving the Plan B Master's Degree as a terminal degree.
- _____ The student's continuation into the doctoral program is conditional on the successful completion of the Plan B master's degree.

Expected degree date: _____ (semester/year)

The student should communicate with the Graduate Program Coordinator to find out if all coursework and other requirements have been fulfilled; the student may then file for the Plan B master's degree.
